

Dean's List

Spring 2021

The Dean's List certificates, produced at the conclusion of each academic term, records the names of all full-time students who have demonstrated academic excellence in the previous semester. In order to qualify for this special distinction, students must earn a semester grade point average of at least 3.600 having completed a minimum of 12 academic credits graded on the A-F scale. In addition, students with grades of "I," "D," "F" or "WF" will not be named to the list. Any student who meets these criteria will have a Dean's List notation permanently recorded on official College transcripts. The following students met or exceeded these criteria based on grades reported as of November 1, 2021:
